

Pocket Split™

Helpful Hints

Congratulations on your purchase of Pocket Split™. Anatek's Pocket Products are the ultimate in MIDI accessory convenience: compact, simple to use, and require no batteries or external power supply.

FEATURES

- Requires no batteries or AC adaptors
- Works with all MIDI keyboards
- 8-zone keyboard splitter
- 1 to 127 note range for each zone
- More than one MIDI Channel can be assigned to each zone
- Separate splits for each incoming MIDI Channel
- Footswitch controllable (automatically adjusts to normally-open or normally-closed footswitches)
- Fixed splits
- Floating split point
- Handles all MIDI messages, including: controllers, MIDI clock and System Exclusive
- Compact & lightweight

APPLICATIONS

- Convert any MIDI keyboard into a MIDI controller
- Split keyboard to send on 8 or more channels simultaneously
- Automatically track left & right hands while sending on 2 MIDI channels
- Separate left & right hands from a piano sequence
- Play multiple channels on a multi-timbral module (E-mu Proteus, Roland D-110, Korg M3R, etc.)
- Create a "classic" 3-way split: drums, bass, piano
- Assign one note to a separate MIDI channel for special effects
- "Turn off" a note or notes so that they don't send MIDI data
- For stage or studio use, assign different splits for 2 or more keyboards (requires Pocket Merge™)

OTHER PRODUCTS

LIMITED WARRANTY

Anatek Microcircuits Inc. warrants this product to be free from manufacturer's defects for a period of ONE YEAR from the date of purchase. This warranty is void if the unit is opened or tampered with, if the unit is immersed in any liquid, or if the unit is connected to any device that does not meet standard MIDI specifications. Should the product prove to be defective within the warranty period, Anatek shall repair or replace the unit at our election and sole expense (with the exception of shipping, which Anatek will pay one way). Anatek makes no other warranties, express or implied, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. In no event shall Anatek be liable for loss of profits or benefits, indirect, special consequential or other similar damages arising out of any breach of this warranty or otherwise.
