Overview

Tetralogy is a comprehensive set of patches for the Zebra 2 synthesizer by u-he. It includes a wide range of sounds incorporating wavetable, FM, RM, and VA synthesis, making thorough use of Zebra 2's capabilities. **Tetralogy** is intended as a base of solid, "bread & butter" sounds usable in many styles and genres, providing composers and producers with lots of inspiration and practical tools for their tracks.

Tetralogy was originally released in 2007 when Zebra 2 first launched, and has been expanded and updated over time. This 2015 release includes 23 new patches and includes all material from all previous versions!

This patch library contains a total of **357** patches organized as follows:

- 26 ANALOGY POLY:** sounds emulating the tones of classic subtractive analog synths
- 11 ARPEGGIOS & SEQUENCES:** rhythmic, tempo-synced sounds
- 46 BASSES:** all sorts of low-end centric sounds, from simple to complex
- 12 DIGITAL POLY:** more complex and glassy timbres using digital synthesis techniques
- 19 DISTORTED:** sounds making liberal use of saturation, overdrive, and crunchiness

13 FX & PERC: various sound effects and drum/percussion emulations
17 KEYS: versatile presets that lend themselves well to polyphonic keyboard parts
54 LEADS: soaring, cutting sounds that are best used monophonically in front of a mix
23 NEWSTUFF: bonus sounds exclusive to the 2015 release of Tetralogy
9 ORGANS: emulations of various classic, vintage, and modern organs
30 PADS: lovely and atmospheric sounds ideal for chords and background instrumentation
13 PLUCKED: perfect for creating your own sequences and rhythmic accompani
19 SWEEPS & GATES: sounds that morph and evolve over time
65 XY VARIATION: unique takes on other sounds in the library using the XY controllers

We hope you will find enjoy **Tetralogy** and that it will find a place in lots of your music productions – thank you for your purchase!

Setup & Usage

First, move the unzipped bank of presets (the entire **Impact Soundworks Tetralogy** folder) to the Zebra 2 presets folder on your computer. On Windows, this is (by default):
/Program Files/Vstplugins/u-he/Zebra2.data/Presets/Zebra2/

On Mac OSX, it is likely:
/Library/Audio/Presets/u-he/Zebra 2/

Once you have done this, restart Zebra 2 in your DAW of choice. You should see **Impact Soundworks Tetralogy** in the patch browser.

License Agreement

The following license is granted non-exclusively to all purchasers of our products. This version (updated December 4, 2014) supersedes any prior printed or digital versions of our license.

Overview

All sound recordings, performances, scripting and/or code contained in this product is the intellectual property of Impact Soundworks unless otherwise noted, and remain the property of Impact Soundworks after the product is purchased. When purchasing an Impact Soundworks product, you are purchasing a non-exclusive license to use, edit, perform, or otherwise utilize these recordings, performances, scripting and/or code for commercial and non-commercial purposes as defined below.

Authorized Users

Depending on the type of customer and usage scenario, authorized users of this license will vary. ALL purchases fall into category A or B.

A. Individual Purchase

This license is extended to customers who are purchasing as the primary user of the product, OR are purchasing on the behalf of another primary user (i.e. as a gift).

The licensee (primary user) MAY install the product on as many computer systems as he or she

has access to. However, **ONLY** the licensee may use the product. No other users are authorized.

B. Corporate, Academic, Institutional Purchase

This license is extended to customers who are purchasing for a multi-user setting, such as a shared studio, networked workstation, computer lab, etc. In this case, the licensee is the institution and not any one user. In contrast with individual purchases, an institutional license applies to **ONE** computer / workstation. All users of that workstation who belong to the purchasing institution (licensee) shall be considered authorized users.

However, at no point may multiple authorized users access one license simultaneously. Multiple licenses must be purchased if the product is to be used by multiple users simultaneously.

Scope of License

The licensee is entitled to the use and unlimited editing of the product within the scope of music production, performance, recording, and composition. This includes both non-commercial and commercial usage of all types, including, but not limited to, film scores, television scores, music libraries, video game soundtracks, digital and physical music releases, albums, compilations, etc. Exceptions to this scope are listed below.

The licensee **MAY NOT** use the product in the production of any other sample library or virtual instrument products.

The licensee **MAY NOT** sell individual sounds from a product in any context.

For clarity: The licensee **MAY** use sounds from the product to create individual sound effects (SFX) for use in film, TV, advertising, and video games. However, the licensee cannot sell these sounds individually via marketplace, stock music/stock audio site, etc.

Ownership, Resale, and Transfer

Redistributing, reselling, electronically transmitting, uploading, sharing, or renting the product in any way, shape, or form is prohibited by law. The licensee may create a physical backup copy of any digitally purchased and downloaded product. This backup copy is subject to the same limitations as the original copy of the product, and may not be transferred to any other individual for any reason.
